Once you get here, only the reports you are assigned to will appear. Just find the appropriate quarter and click the "Report" link to view the report below the table.

The screenshot shows the NEUP (Nuclear Energy University Programs) website interface. At the top, it says "U.S. Department of Energy" and "NEUP.gov". The main heading is "Quarterly Report". Below this, a table lists the quarters and their corresponding periods and report due dates. A "Filters" section allows users to refine their search. A "Select Quarterly Report" section contains a table of reports with columns for ID, Tracking ID, Title, Quarter, and Status. Red callout boxes provide instructions: one points to the "Report" link in the table, another points to the "Quarter" column, and a third points to the "No Quarter Filter" dropdown.
