General Account Information

Thank you for taking time to provide information to the NEUP program in support of proposal review activities. This information will be used to aid in the selection of appropriate reviewers, help document the proposal review process, and augment the defensible validation of reviewer qualifications in the spirit of a true "peer" review. If you agree to be a reviewer, simply check the "**I agree to participate as a Reviewer**" box and you will have the opportunity to provide additional information.

If you choose to exclude yourself as a reviewer, please fill in your **professional contact information** so that you can be provided opportunity to participate at a later time.

Resume

Please upload a complete resume here. Needed to certify reviewers

Area of Expertise

Please select as many [Areas of Expertise](#) as you feel apply. These terms originate from the International Nuclear Information System (INIS) as maintained by the International Atomic Energy Agency (IAEA). These terms are being used in an effort to standardize the areas of participation and have been grouped into the major scope areas supported by NEUP.

As you highlight a desired area of expertise, specialty areas will populate a dropdown list for selection.

Provide as much details as possible
