

2010 Hispanic Youth Symposium *Outstanding female and male students*

**Sofia Jaramillo,
2010 outstanding
female student**

Sofia Jaramillo, of Boise High School, was awarded the \$2,500 Natalie Lupe Reyes Memorial Scholarship, given to the outstanding female student of the symposium. She also received a \$32,800 scholarship from College of Idaho and a \$1,000 Gem State Diversity Initiatives scholarship for second place in the art competition (photography).

"I plan to study environmental science," said Jaramillo, "and minor in photography." She's one of the fortunate students awarded multiple scholarships and can make a choice about where to attend. "With these (smaller scholarships), I can now consider going to Seattle University or Western Washington University."

**Rigoberto Zaragoza,
2010 outstanding
male student**

Rigoberto Zaragoza, a Columbia High School (in Nampa) senior, was awarded the \$2,500 Frank Gamboa Sanchez Memorial Scholarship for being selected the outstanding male student of the symposium.

"I want to study auto body and mechanics at College of Western Idaho," he said. The scholarship will help pave the way for him to receive the technical and vocational training he'll need.
