

Sí, se puede Speech

We want to know how you were able to overcome obstacles to say “Yes, it can be done.” Tell us how you challenged yourself to improve to make a difference for yourself or others.

Suggested format:

1. Prepare a 5 - 5.5 minute informative speech.

First 30 seconds to minute is the INTRODUCTION

2. Include an introduction that gains the audience’s attention, justifies the topic, explains the credibility of the speaker, and previews the main points of the speech.

3 to 3.5 minutes to present the MAIN Points (1-2-3) of the Speech

3. Include a clear thesis statement.
4. Use transitions between main divisions.

30 seconds to a minute to CLOSE (wrap-up)

5. Summarize the main ideas in the conclusion.
6. Submit to the instructor a complete sentence outline that conforms to the sample outline for the informative speech.
7. Speak extemporaneously (from notes, without reading or memorization).
