## *Department of Energy, Battelle Energy Alliance, and Union Leadership*

***The leadership from the following organizations is committed through teamwork and respect to endorse the DOE-Voluntary Protection Program (VPP) at the Idaho National Laboratory (INL). We join in communicating the vision of being a world class leader in Safety and Health. With this partnership, which includes worker involvement, we will work together to ensure that work activities are carried out in a manner that will protect, preserve, and nurture our people, facilities, neighbors and the environment. This united effort will sustain this Laboratory as a DOE-VPP Star Site.***
